Teaching Learning:

Covid- 19 pandemic broke out in India in March 2020. Due to the increasing number of fatalities Covid-19, the government stopped all work from March 2021 announcing a complete lockdown. From first June, the office was gradually started on low attendance. As per the instructions given by Government/University/Hon. Commissioner, teaching was undertaken online and attendance in the office was kept limited.

Assessment and Accreditation by NAAC:

The NAAC Peer Team Visit was scheduled for February 1 and 2, 2021 to reassess the grade of the college. However, as no decision was made at the government level regarding attendance of students in colleges and also due to the increasing number of cases of Covid-19, the government enforced the lockdown, except for essential services in the state. There were regular lockdowns until May 31,2021, therefore the NAAC peer team could not visit the college during this report year.
